Details and Conditions for International Students

1. Long Term International Students

Long-Term International Students are accepted for a year of regular study. They will be enrolled in a class and participate in the regular instruction.

2. Short-term International Student Program

Short-Term International students will attend for one to three months of study. (See notes below.)

Short-term programs are designed to provide international students speaking English as an additional language, with a total immersion environment in which to develop communicative competence in English. Program activities include regular classroom instruction, class field trips, extra-curricular activities and school based socio-cultural activities where students can learn and apply their language skills in a natural communicative setting.

This short term program is intended for visiting students who are interested in an immersion experience in an English speaking Canadian class and as such, short-term International students will be auditing classes and will not receive a school report card. They will receive a certificate of participation on completion of their stay. Students will participate in regular classroom lessons and activities, wherever possible. Students are not registered with the Ministry of Education of British Columbia.

International Student spaces may be available at grade levels 4, 5, 6 and 7. The number of students per grade will vary according to the needs of the students and school. *Younger students will be considered only if living full time with a parent while in Canada.*

Prerequisite: Registration fee, proof of current passport, study permit and medical insurance, custodianship papers. See the checklist for complete details.
